

Ecole Elgin Market

Code of Conduct

At Elgin Market, we know that what we say and do tells others not only what kind of people we are, but also what kind of school community we are. We will be sure that we:

- treat each other with respect
- take action to do the right thing
- speak up when we see something wrong
- stand up for ourselves and each other
- think about things from the other person's point of view
- behave in a way that we can be proud of and shows our pride in being a part of Ecole Elgin Market
- treat both school property and that of other people with respect.

We are the Elgin Market Eagles. We know that fairness is not sameness and equity is not always equality.

When we do not follow the code of conduct, there are consequences. The scope and form of these consequences are at the discretion of the principal in consultation with teachers, staff and all parties involved in the episode. Parents of all parties will be notified, but certain pieces of information will be withheld due to the *Protection of Privacy Act*.

This code of conduct applies to all Elgin Market students, staff, parents and visitors in the school and is consistent with the Ontario *Safe Schools Act*.
